PRICE LIST FOR COMMERCIAL VTJKYSELY PRODUCTS

1 VTJkysely service

VTJkysely is a browser-based real-time service for searching information from the Population Information System. VTJkysely provides the users with access to all personal, building and real estate information kept in the Population Information System.

A user-specific monthly fee and a fee for each query are charged for the use of the service. The user-specific monthly fee applies to query users and administration service users. Searching data contained in user statistics, administration services and training use are free of charge.

Minimum monthly fee for queries is EUR 7.00/invoice No VAT is applicable to the Population Register Centre's fees.

Any additional costs are invoiced separately on a case-by-case basis.

1.1 Validity

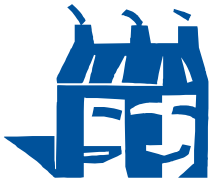

This price list has been valid since 29 May 2012 and it will remain in effect until further notice. This price list was changed on 5 September 2017 by making the price lists for VTJkysely and VTJ interface into separate appendices and by updating the layout of the price list.
